Program Title	Program Description	Program Title	Program Description
Creepy, Crawly Critters	That time of year is coming. The flies, beetles, bees, and wasps, along with a multitude of other insects will soon be seemingly everywhere. What do you need to watch out for? Come and find out.	Winged Migration	Stop by and view this 90-minute award-winning documentary on the seasonal wanderings of birds from around the world.
Life from Long Ago	It might be hard to believe, but the area around Lake Monroe used to be a saltwater tidal marsh with life like nothing we see today. Stop by and see what used to call this area home.	<div><div>The 20th Annual Brown and Monroe County</div><div><div>WILDFLOWER FORAY WEEKEND</div></div><div>Friday, Saturday, and Sunday</div><div>April 22- 24, 2005</div><div>More than 20 different programs are being offered on a wide range of subjects including birds, mushrooms, nature photography medicinal plants, history, folklore and much, much more. Join a boat trip on Lake Monroe or a canoe trip on Lake Griffy.</div><div>And in the middle of all this, participate in the process of gathering data on the spring wildflowers of Brown and Monreo counties.</div><div>For more information, contact the T. C. Steele State Historic Site at 812-988-2785</div><div>Presented by Monroe Reservoir, Brown Co. State Park, Yellowwood State Forest, and more.</div></div>	
The Nature of Monroe	Forests, wetlands, fields, and creeks are just a few of the places Lake Monroe has as homes for wildlife. Discover what the nature of Lake Monroe is all about.		
Playing the Shell Game	As days get warmer turtles will wake from their winter sleep. What kinds of turtles are there at Lake Monroe? Find out how to identify them by the shapes and patterns on their shells.		
The Story of Lake Monroe's Bald Eagles	We are on track for yet another record-breaking year for the bald eagle in Indiana. See how it all got started right here at Lake Monroe and find out how our resident pairs are faring this year.		
Walking With The Birds !!! Meet at the trailhead !!!	Join us and some of the top birdwatchers from around the area as we take a lazy stroll looking at and listening to the avian migrants of spring. Be sure to bring binoculars if you have them.
